

# Cows go moo!

Cows go **moo!**

Sheep go **baa!**

Dogs shove their heads out of **people's cars.**

Pigs go **oink!**

Hens go **cluck!**

Cats climb trees but often **get stuck!**

Birds go **tweet!**

Owls go **hoot!**

Hamsters store nuts and are **rather cute.**

Mums go **'NO!'**

Dads go **'Ask your mum!'**

And bees say nothing; they **simply hum.**

One of my own personal favourites!

And a distinct rhythm too!
